LCS session

The 13th AIM International Workshop

The 12th AIM International Workshop
19-21, February 2007

Discussion Points

- Who is our audience/customer
 - What they want to know
 - What they can do to make LCS happen
- What we can do for LCS study
- What we has to do for LCS study
- Further collaboration
 - We have just finished the series of Japan-UK joint research LCS project workshop/symposium.
We don't have any concrete ideas for next.
 - MOU between UNEP/RISO and NIES

11:00-12:00 Session III
